

**Avoid A Huge Repair Bill!!! Get More Than \$550 Worth Of Car Repair
For Only \$139.95 With Absolutely No Risk And No "Hidden" Charges?**

I can't believe I've kept this a secret for so long. You see over the years, my best clients have needed a way to keep track of their oil changes, so I created the Car Care Club Card. Well, over time I added a special here and a special there until now, I'm giving away more than \$550.00 worth of car repair for only \$139.95 (less than the cost of three oil changes)...

...But I'm not keeping it a secret anymore!

Here's what you get:

- Free 3 Minor Service Up to 5 quarts Oil (Synthetic Oil Extra) New Oil Filter 51 Point Inspection
- Free Air Conditioning Performance Test (Freon Extra)
- \$25.00 Off Brake Repair Front or Rear Service
- \$35.00 Off Complete Fuel Injection Cleaning Service Fuel Injectors, Fuel Rails Test Inspection

...membership does have its privileges. Heck, the oil changes alone will more than pay for the card, and you gotta get them done whether you purchase it or not. And, there is no risk to you. Every now and then one of my "insider" clients would purchase the Car Care Club Card and move away or simply stop driving, and I would gladly give them all of their money back for an unused card. Well, I will certainly give you the same NO RISK GUARANTEE if you invest in the card and for any reason can't or don't use it, just bring it back to me and I'll gladly give you the money you invested back. No questions asked... Incredible!

You're probably saying to yourself, "Ok, what's the catch?" Well, here it is. I can't afford to have too many of these cards in circulation. The discounts would put me out of business... so I've got a limited number available and when they're gone, I am not going to print more... So if you'd like to take advantage of this special you've got to act NOW!
