

Adopt a Family

FOR THE HOLIDAYS

Adopt - A - Family is an opportunity for individuals, teams, companies and organizations to reach out and lift up those in need, either through direct adoption or financial contribution.

For the past 21 years, the Santa Barbara Police Activities League has been able to give more than just gifts to families with the highest need, we've made unforgettable memories for them to share. This year we will host an outdoor Winter Wonderland walk-through, allowing families the opportunity to take pictures, safely interact with our local police officers, receive a gift from their wish list and DIY craft kits.

Families are identified and referred through different community agencies.

MAKE A DONATION

ADOPT-A-FAMILY: By adopting a family, you are committing to purchasing gifts for all the children in that family. This option is great for those who really want to purchase individualized gifts on a child's wish list.

HOST A GIFT DRIVE: Put out donation bins in your place of work. Great gift ideas are baby items, Legos, gift cards, educational toys for all ages, Pokémon cards, or sports equipment. New socks, sweaters, and shoes are always welcome and appreciated.

MAKE A DONATION: Your gift, large or small, makes a difference!
